

ARM Chapter 29 Report
July 2019

1. This month we had a good turn out at the Northway for our July meeting.
2. Dennis Newman shared with us his recent invitation to the Palladium mine in Northern Ontario. As you may know, Dennis is a fine artist and he is especially interested in ink and paper representations of buildings. He has had a life-long interest in mining and has documented many buildings from Canada's mining heritage. In the spring 2019 issue of *Canadian Mining*, Dennis' work was featured on the cover and a very fine article was written about him. If you would like to read it, you can find it at www.canadianminingmagazine.com. Dennis also placed one of his prints in a draw which Jim Stewart was winner of.
3. Sharon reported that we have received information from the Ontario Health Coalition since joining in June. She has been in contact with Terra Cobb who won our Student Bursary this year and arrangements will be made to connect with Terra this summer for delivering her cheque. Sharon also noted that she finished off the school year with a very high level of achievement from PECL.
4. Members at large:
Tony Crocker who is a very fine photographer currently has work on display at the "I am Coffee" cafe in Campbellford. From July 29 to October 28, Tony's work can also be viewed at Capers in Campbellford.

Judy Preece will have a one-act play called *Trifecta* that she wrote and will be directing at the Pinnacle Playhouse. The dates for that are August 28 to 31.
